ORADELL, NJ, October 5, 2023 – Students from Bergen Catholic Entrepreneurship classes participated in a virtual competition hosted by the University of Delaware's Horn Entrepreneurship program. Bergen Catholic was one of ten high schools from the east coast to participate in the virtual competition.

Bergen Catholic and the other nine teams were posed with the innovative challenge of how a college admissions department might foster a racially diverse undergraduate student body, while adhering to updated legal constraints. Each school was given time to formulate their ideas and then eventually pitch their solutions as team to a panel of judges with backgrounds in collegiate admissions.

Bergen Catholic High School is a diverse Catholic community that prepares young men to become dynamic global leaders by deepening religious faith, developing academic excellence, and strengthening social consciousness and responsibility in accordance with the Essential Elements of an Edmund Rice Christian Brother Education.
