**ORADELL, NJ, March 1, 2024** – The Bergen Catholic AP Environmental Science class is learning about topography and how to interpret topographical maps. The Crusaders used this information to understand how environmental pollutants may travel through an area based on the topography.

Bergen Catholic High School is a diverse Catholic community that prepares young men to become dynamic global leaders by deepening religious faith, developing academic excellence, and strengthening social consciousness and responsibility in accordance with the Essential Elements of an Edmund Rice Christian Brother Education.

**Founded and staffed by the Edmund Rice Christian Brothers**
